15¢PORTLAND GETS  
SEVERE BEATINGLos Angeles Chancemen Slam  
Ball All Over Field and  
Come Over Home Plate  
15 Times to Beavers' 2.

Los Angeles, Oct. 19.—With the Pacific Coast league pennant practically clinched, the Angels went out duck hunting today and during the two hours' sport the Chancemen were able to count fifteen victims. Win Noyes was the goat until he was pounded out of the box in the second frame. The final score read 15 to 2.

Win Noyes and Ote Crandall started what was expected to be a ball game. Walks, some boots and an error in the second frame got the Portland players in a bad temper and while they were crabbing over a play two Angels plied the bags right and left. After Noyes had been canned from the game, Dennie Willie went in to do the heaving. All he had to do was toss the ball over and then duck.

The Angels started by slipping over a couple in the first frame on two hits and an error and then came back in the next frame and scored three more on but a single hit.

Another score in the fourth, three in the fifth, four in the sixth, and two in the seventh was the story of the slaughter. After that the Angels were so winded from running the bas-

es that they refused to score any more.

Bobby Davis was the star of the game for the Angels when it came to scoring runs, as he clattered over the pan four times during the afternoon. Portland stayed off a shutout in the eighth frame when Williams singled and stole second, went to third on a double steal with Evans, who had walked, and then both scored on Southworth's single to center.

HOGG, PRINCETON CAPTAIN AND STAR  
GUARD, SHINES IN TIGERS' STRONG LINE

Captain Hogg of Princeton.

Captain Hogg of Princeton is one of the great strengths of what looks like as strong a line as there is in the east this fall. The Tigers may not have all their competition outclassed in every department of play, but they are showing great strength in their defense, and the team that gains considerably through their line may well brag about it.

UTES VICTORIOUS  
OVER SEALSChester Hoff Responsible for  
Salt Lake's Second Victory  
of Series — Score  
Reads 5 to 1.

Salt Lake, Oct. 20.—Chester Hoff girded up his belt to the fifth hole yesterday and went out to the so-called hill at Majestic park upon which pitchers are wont to puzzle and paw. The fact that he went out to the hill is not the most important episode to record, however, but the result of his goings and comings are indeed palatable to peruse. Chester's toll on the mound, supplemented and reinforced by the activities of his teammates, resulted in Salt Lake's second victory of the series, the score reading 5 to 1 with the Utes on the comfortable end.

Not the least significant result of the bout is the fact that the Utes moved into fourth place in the club standing column.

The whole soiree was enjoyable. Hoff's performances, while they were relished thoroughly by the fans, were not the entire pith and point of the entertainment. Skipper Bernhard had certain ones of his help placed in new positions. Orr occupied the center garden in Tommy Quinlan's job. Bill seemed to take to the new place like a kid rejoices over a holiday, and flitted hither and thither and yon in pursuit of the fly balls which strayed to his vicinity. In the eighth he robbed Jerry Downs of a three-bagger by nipping the ball off the fence adjoining the Salt Lake clubhouse. He also blighted the hopes of Jones in the ninth, when the latter poled out to the signs in left center. Buddy Ryan was also ambitious in the left pasture, moving down what would have been a two-base hit from Downs' sap stick in the fourth.

Spider Stars for Seals.  
Vis a vis to Hoff in the Seal trenches was Spider Baum, or that is Spider was in the Seal trenches during a part of the session. In the fourth inning he got himself entangled in the meshes of a net of his own construction, when he suffered from a sudden attack of chronic generosity and doled out free transportation to three Utes, which eventually fattened the latter's score to the extent of four runs. Wolverton could not see the idea of Spider's liberality, however, and invited him of Samaritan propensities to retire to the warmth of the dugout.

Brown Replaces Baum.  
Curly Brown was then summoned to take up his abode on the knoll for the Seals, and "did noble," finishing Spider's duties by holding the Utes hitless during the remaining portion of the matinee. Curly's curls feinted and twirled about the bats of the Salt Lake batsmen, nary a one of them being effectively connected with. If he did have any hits in stock, he kept them away from the Salt Lake customers and held them in utter poverty during those innings subsequent to the fourth.

FRENCH AVIATOR BRINGS  
DOWN FOURTEENTH MACHINE  
Paris, Oct. 19, 3:53 p. m.—Adjutant Dorne of the French aviation service brought down his fourteenth German machine on October 18, the war office announced today in its report on operations of the aviators. The statement reads:

"Our machines yesterday during operations south of the Somme attacked with machine guns enemy troops in the region of Biaches.

"It is confirmed that Adjutant Dorne brought down on October 16 a German aeroplane to the north of Peronne, this being the fourteenth machine for which this pilot has accounted.

"Another enemy aeroplane which was reported to have been hit and badly damaged on the same day fell to the ground near Beaulencourt."

TIGERS SHUT OUT  
BY STURDY OAKSVernonites Make Things  
Merry For Oakland But Fail  
to Reach Home Plate.

San Francisco, Oct. 19.—As has been voiced before it is a long angle worm which has no turn. The Oaks, trampled in the muck ever so long, turned to with a vengeance today and trimmed the Hampats in an eleven-inning session by the close count of 1 to 0. Barring the second frame when Sleeping William Burns loaded the bags with two out, the Oak heavist was in rare old form. The Vernonites were not dangerous again until the seventh when they swarmed all over the bags again, but the necessary click was absent. Thus it went until the eleventh canto. Things looked squally for the Oaks in that frame, but again the necessary hit was not at home.

Decanniere opened the same inning with a walk for Middleton, but Roney was forced at second by Murphy. Lane rapped to right and when Kenworthy was hit, the bags were bulging. The climax was not long in coming. Cunningham hit over second, scoring Murphy with the only tally of the set-to.

NATIONALS MUST  
BE STRENGTHENED

New York, Oct. 19.—The National league must be strengthened in the opinion of John K. Tener, its president. Mr. Tener says he believes the twenty-one player limit has worked against the league in world's series games and that the limit will be increased next year.

There is no use in the National league making any excuses or giving any alibis, said Mr. Tener. We have played poor ball, very poor ball, in the last few series. Our pitchers held up, but that was all. I appreciate that something must be done. In my annual message to the club presidents I have called attention to the fact that the National league does not get its prestige in the executive office, but on the ball field.

"No one can actually tell whether the twenty-one-player limit has injured us in competition with the American league. This limit is a delicate matter, which the men with the money invested must settle for themselves. Personally, I believe it has worked against the National league and I think by next season the player limit in our league will be increased."

It was reported today that President Tener, Harry Hempstead, the president of the New York National league club, and John J. McGraw, the club's manager, will meet here today or tomorrow to talk over McGraw's criticism of the New York players in their final series with Brooklyn.

BRITISH FORCE  
ROUTS THE TURKS

London, Oct. 19, 3:17 p. m.—A mighty British force on Sunday attacked a Turkish position, 65 miles east of the Suez canal, the war office reports, and after a battle of two hours drove out the Turks. The announcement follows:

"On the eastern front a reconnaissance against the enemy at Moghara, 65 miles east of Ismailia (a town on the Suez canal), has been carried out by a mounted force. After two night marches over a country of extremely difficult sandy nature, our force located the enemy in a strong position on high, precipitous hills on the morning of October 15.

"After an engagement lasting two hours, during which our aeroplanes repeatedly bombed the enemy main positions, we succeeded in driving him out. About a dozen dead were found in the trenches and we cap-

tured 14 unwounded and two wounded Turks, besides a number of camels.

"Our own losses were one killed and two wounded.

"On October 17 the column returned without the loss of a single camel. Valuable information as to the dispositions of the enemy and the nature of the country was obtained."

SIX CONVICTS  
MAKE ESCAPE

OSSINING, N. Y., Oct. 19.—Riding in a prison automobile truck, six inmates of Sing Sing drove past a guard and made their escape about noon today. Acting Warden Calvin Derrick announced tonight. The finding of the abandoned truck a half hour after the escape gave the first intimation that the men, all of whom were serving sentences of from fifteen years to life, had fled.

Acting Warden Derrick, who took charge of the prison only this week upon the resignation of Thomas Mott Osborne, said that Richard Hyler, the guard at the prison gate through which the truck passed, had been suspended pending an investigation.

The convicts who are at liberty are Marquis Curtis, Thomas Hyland, William Tammany, Frank Lutz, William Anson and Alfred Steinhauer. Curtis and Hyland were serving life terms.

The truck, which was supposed to be used exclusively inside the prison walls, was driven by a convict who wore the uniform of a guard. Another

man, in the regulation prison garb sat beside him, while the four others were hidden within the truck. The guard, Warden Derrick said, did not stop the truck nor look to see what it carried.

Tonight at 9 o'clock the leader, Marquis Curtis, was captured by the guards within a quarter of a mile of John D. Rockefeller's estate at Pocantico hills. Curtis was shot through the stomach when he attempted to open fire on the pursuing guards.

At midnight armed guards were combing the Rockefeller grounds. They believe that the other five members of the band are in hiding about the estate or somewhere in the vicinity.

The guards, who are all armed to the teeth, were informed by villagers that the band of six had entered a grocery store a short while before and had purchased provisions.

WILLIAM THAW  
ALIVE AND WELL

Paris Reports American Aviator Has Arrived From Front to Attend Funeral.

Paris, Oct. 19.—1 p. m.—At the Paris home of Lieutenant William Thaw of the Franco-American aviation corps, it was said today that the lieutenant was alive and well. He arrived during the night from the

front to attend the funeral tomorrow of Sergeant Norman Prince of the Franco-American corps, who died as the result of injuries sustained in a raid over southern Germany.

A New Haven dispatch said word had been received there of the death of Lieutenant Thaw.

"My wife managed to drive a nail today without hitting per thumb."

"How was that?"

"She inveigled the hired girl into holding the nail."—Louisville Courier-Journal.

## AN UNPLEASANT REMINDER.

"She seemed pleased with your society last evening."

"Yes; she said I reminded her of a loved and lost one. Has she lost a sweetheart by death?"

"Nope; all she ever lost by death was a Boston bulldog."—Houston Post.
